

STACY IEST HSU

From the smallest reptiles to the tallest mammal, Animal Park Fun celebrates all the animals that you would see at the zoo. With its vintage-inspired prints and fresh, gender-neutral color palette, it is perfect for boy or girl projects. This collection also has a fun cut-and-sew stuffy panel of everyone's favorite zoo animals and an alphabet block panel.

Of course, with all this cute fabric, you have to have the perfect quilt pattern, and this collection delivers five fun and whimsical patterns perfect for your little ones. Elephants, lions, and bears are some of the themes for the quilts, with a turtle and dog for good measure. Animal Park Fun is the perfect collection to celebrate animals of all kinds!
