Is there a more classic and timeless color combination than blue and white? Not in my eyes. Blue and white is my favorite color combination for everything from quilts to dishes, clothing to home décor. Designing a collection made up simply of beautiful blue and white prints has been a dream of mine for as long as I can remember, so I'm happy to introduce my newest (and bluest) collection, Blueprint.

Blueprint is made up of dreamy vintage florals, simple dots and plaids, and some of my favorite antique calicos—all in classic blues and whites, of course. Inspired by vintage quilts and favorite dishes, this collection is sure to be one you'll treasure for years to come.
