

Christmas Stitched

FIG TREE & CO

Christmas is the most magical time of the year for so many of us, celebrating with family and friends, and enjoying memories of holidays past. For Christmas Stitched, I wanted to capture some of that magic with a few of my favorite vintage stitcheries and fabrics.

The soft reds, greens and tans of our classic Fig Tree Christmas, this collection is meant to remind you of your holiday

memories, and to move you to create Christmas heirlooms for holidays to come. Each print is inspired by a favorite Christmas motif - a pinecone, a sprig of holly or a classic gingham that makes us all think of a country Christmas! And if you love scrap quilts as much as I do, blend Christmas Stitched with the reds, creams and greens from any recent Fig Tree collection.
