

 **BASICGREY®**

Once upon a meadow, where bees hummed lullabies and dandelions danced on the breeze, a story began—stitched together with wildflowers and wonder. Fieldrush draws its spirit from those barefoot, sun-warmed adventures: the hush of morning mist, the rustle of wind through tall grass, and the playful, unplanned beauty of nature in full bloom.

There's a kind of childhood magic in wandering through a field with wildflowers brushing your knees and sunlight warming your back. Maybe you carried a tin pail, or tied blooms together with string, gathering whatever caught your eye. No rules, no plan—just the pure joy of collecting beauty and calling it your own.

Rooted in earth and kissed by light, Fieldrush brings together gentle florals, hand-drawn textures, and a palette that feels both nostalgic and new. Colors softly layer like fading memories—nothing too bold, nothing too bright—just the kind of beauty that lingers quietly and stays with you.

Let Fieldrush lead you off the map and into something meaningful—one stitch, one breeze, one story at a time.
