

Funny Valentine by Lizzy House is a nostalgic and sweet look through a candy box full of vintage valentines and love notes. It's a peek into a hatbox of handkerchiefs and treasured ephemera that someone tucked away to remember the fondness of past loves. The prints in Funny Valentine feature a delightful assortment of charming illustrations, from the most unlikely of friends and botanical sweethearts to a lovely stamp collection, friendly strawberries, and more. Don't complete a project without including a little Funny Valentine.
