

Ghostly Greetings

by Deb Strain

Bats and skeletons. Owls and pumpkins. And lots of spiders. Ghostly Greetings is a very vintage collection filled with my favorite Halloween motifs.

Reminiscent of a vintage *All Hallow's Eve* illustration, the large panel is perfect for a quick Trick or Treat project. Use it by itself, or mix it with coordinating prints of black cats, swirly cobwebs and cursive text that's just a bit spooky. Rendered in Bone White, Midnight Black, Vintage Pumpkin, and Granite Grey, Ghostly Greetings is sure to create a Halloween mood.

What will you conjure up with this classically creepy collection?
