

# HOLIDAY CHEER

STACY IEST HSU

Holiday Cheer is a nostalgic nod to Christmases past. With its traditional colors and vintage-inspired prints, this collection is sure to bring just the right amount of holiday spirit to your next project. The prints feature classic holiday motifs such as candy canes, wreaths, poinsettias, and plaids, along with a charming vintage newsletter design that offers a whimsical peek into daily life at the North Pole during the festive season. You'll even discover the perfect cookie recipe from Mrs. Claus herself!

The collection also includes two delightful panels—one featuring classic Christmas imagery and sayings, and the other showcasing an adorable pair of reindeer dressed for the holidays. Five quilts have been designed specifically for this collection, each beautifully highlighting the timeless holiday prints. With patterns suitable for all skill levels, from beginner to advanced, there's something for everyone.

Ring in the holiday season with a touch of vintage charm, a hint of tradition, and an abundance of Christmas spirit—with Holiday Cheer.
