FABRICS + SUPPLIES®

Hopewell began with a sweet, antique check fabric in my favorite colors of red and brown. Adding small-scale prints and the busy backgrounds that I love came next, colored in just the right shade of blue, medium tans, dark cream and toast, with bits of pink and green.

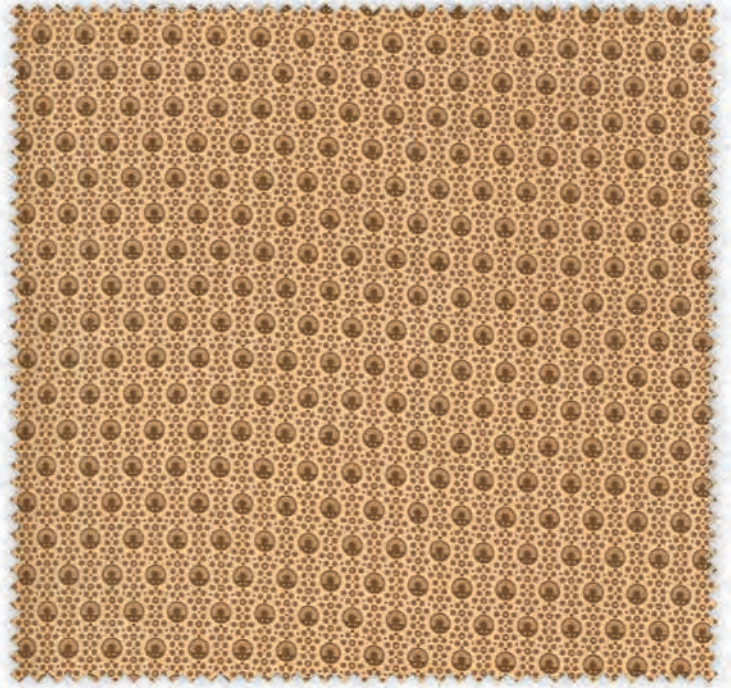

For scrap quilters like me, Hopewell has many options. Pull out the reds and blues for a patriotic quilt, or use the shades of brown, rust, red and toast for a Fall quilt. Or mix Hopewell with other collections for my favorite kind of scrap project.
