

Kindness

Deb Strain

Kindness matters. Kindness changes everything! Kindness is always beautiful. Kindness is genuinely an important part of my world, and I am so pleased to introduce this new collection, which illustrates that. Filled with gentle sayings, sweet flowers, and fluttering butterflies, it reminds us all of the beauty of kindness. Soft corals and pinks are mixed with sage and eucalyptus greens to present a fresh floral group with a kind twist. I hope that you enjoy working with this lovely group as much as I enjoyed painting it!
