

Lovestruck

Lella Boutique

Every fabric collection tells a story, and this one's a romance. It begins with a delivery of the dreamiest of florals at your doorstep. There's a lovely plaid notecard - from a secret admirer, of course. The array of delicate cream and white flowers amidst rose, blush, and fern hues are sure to make your heart skip a beat. Love is in the air - and in the sky. Just think of the way the stars twinkle for you as you dream beneath them. And like any good love story, this one has a bit of chocolate mixed in!

Fall in love with vintage-inspired blooms, dainty dots, starlite tile, and other sophisticated blender prints. The Lovestruck collection is a fabric love affair that will have you stitching up hearts, butterflies, and all the happy wishes you can dream up.
