MORRIS EARTHLY PARADISE

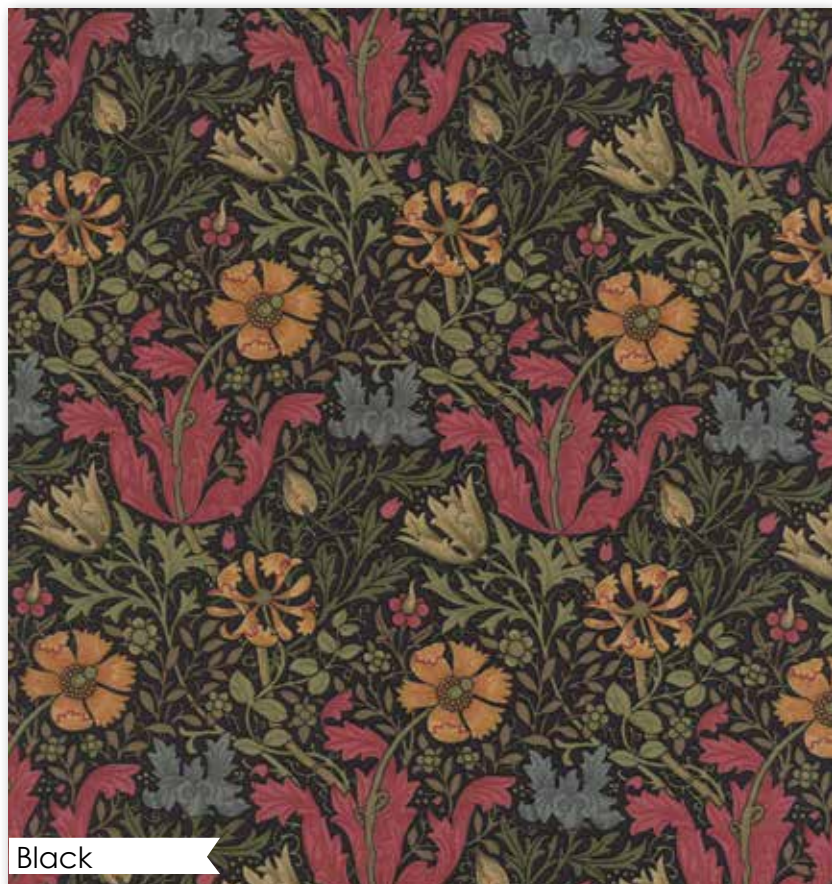

Barbara Brackman

Our latest collection of William Morris reproductions is named Earthly Paradise for an epic poem written by the great designer. He had many talents, among them novelist, publisher and political activist. The fabrics in Earthly Paradise capture the Morris look with seven prints from old swatchbooks and catalogs. Graceful florals dating from 1874 to 1910 include some rarely seen prints by the master and his apprentices. Transplant Morris's Earthly Paradise into your own home with quilts and craftsman decoration inspired by a unique garden view.
