

OXFORD *Sweetwater*

Sometimes the Men's department provides the perfect inspiration for a fabric collection. While thumbing through the pages of a favorite clothing store's catalog, we spotted a stack of oxford-cloth shirts in an array of plaids and stripes. They were so crisp and colorful, we were instantly drawn to the photo. Of course, we then thought about what a beautiful quilt they would make and Oxford was born! We mixed the wovens with a variety of prints, and we think they look spectacular together!
