

Petals & Polkadots

by Bunny Hill Designs

Welcome to the Sweet World of Petals & Polka Dots

There's something magical about mixing the whimsy of polka dots with the timeless charm of florals—and that's exactly what inspired my newest fabric collection, Petals & Polka Dots. In a palette of cherry red, soft pink, and creamy white, this line is a celebration of all things sweet, romantic, and cottage-chic.

You'll find delicate blossoms, cheerful dots, classic gingham, slender stripes, and graceful paisleys—each print designed to mix and match with vintage flair. Whether you're drawn to romantic reds or the softest shades of blush, this collection brings a touch of joy and whimsy to every stitch. To bring Petals & Polka Dots to life, I've designed a special appliqué quilt I'm also calling Petals & Polka Dots. It's filled with blooming flowers, charming birds, and plenty of love. It's the perfect year-long project for anyone who loves cottage gardens and heirloom stitching.

For a quicker finish, I've also created a posy-filled quilt just in time for Valentine's Day—sweet, simple, and oh-so-lovely in red and pink. And if you're looking to add a little charm to your home, try the decorative pillows designed to warm up any room with cozy, handmade style.

Whether you're planning a full quilt, a quick gift, or something beautiful for your home, Petals & Polka Dots is full of inspiration. I can't wait to see what you make with it!
