

Purrs & Boos

ELENA AMO

Purrs and Boos is here to prove that Halloween doesn't have to be spooky to be magical! This playful collection is filled with the friendliest little ghosts, giggling pumpkins, curious black cats in witch hats, and cheerful spiders all wrapped in a festive palette of hot pink, cream, warm orange, and black. These characters aren't here to haunt; they're here to play, celebrate, and add a touch of whimsy to your sewing projects.

Now let me tell you a little secret... The inspiration for this collection didn't come from something deep or mysterious. Sometimes creativity just starts with a mood, a little doodle, or a few words. For this one, it was as simple as cute, cats, Halloween. That's all it took. Sometimes that's all you need to bring a collection to life. No tricks here, just treats and pure playful joy!
