

BIRTHDAY

BY SARAH WATTS

Sarah Watts has always loved birthdays. Her grandma made her all sorts of cakes while she was growing up, and there was often a little party hat set to match the confetti on the table. Sarah wanted to create a bright & happy collection celebrating everyone's special day. Birthday includes two fun panels, Milestone and Toys, with tons of project possibilities. Three colorways of a paint-stroke canvas round out the collection. See full panels on following spread.

BIRTHDAY

BY SARAH WATTS

Sarah Watts created two panels for Birthday with tons of project possibilities - the Milestone panel (44" x 36") can be used alone or as a large quilt centerpiece, and it makes an adorable milestone photo backdrop for a baby's first twelve months. The Toys panel (44" x 24") can be cut apart for softies and applique, or used as yardage for wholecloth quilts and quilt backings.
