

First Light is a collaborative collection amongst all five Ruby Star Society designers. A gorgeous sunrise gradient features lots of lower volume options mixed with more intense pops of color, all punctuated by several rich black prints. Focus on the softer shades for more subtle projects, and add the more saturated shades for a bit more contrast and oomph. All together First Light is a beautiful shimmering range that is sure to make projects sparkle!

JULY 2021 DELIVERY

30 premium 100% Ruby Star Cotton prints
