from Rashida

Get into the mellow mood of LoFi, my newest linen collection! Working with linen takes me back to my roots as a designer, as I got my start as a blogger at I Heart Linen where I posted my favorite projects using linen. LoFi blends soft, low-volume prints with pops of neon that keep the beat alive.

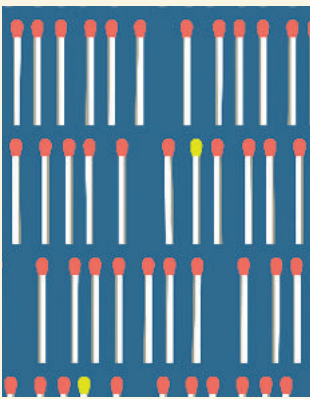

I'm always hopping from genre to genre when I listen to music, but when I need a creative groove, I like to play LoFi in the background. That balance of chill and bright at the same time felt like the perfect name for this collection. Soothing, surprising, and full of personality!

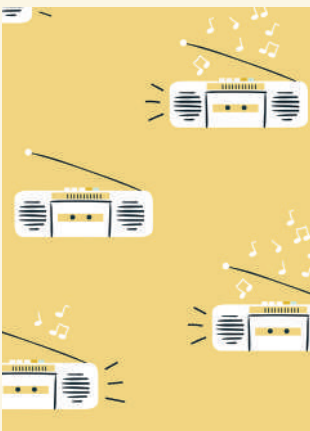

ORIGINAL ARTWORK

From Rashida's first C+S collection, Moonlit

From Rashida's first RSS collection, Pop!

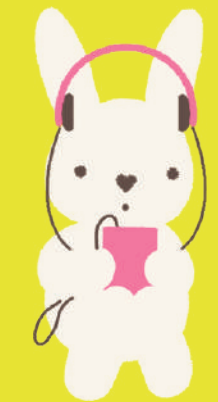

Nostalgic motifs like the boom boxes from Pop!, my first collection with RSS and the matchsticks from Moonlit, my first collection at Cotton + Steel, make a comeback, now joined by playful florals and crisp geometrics.
