*rayons make the best caftans!*

In 2017, Alexia and Melody paired up to do a Palm Springs inspired collection, Poolside. It had sunglasses, palm trees, and breeze blocks, along with some flowy rayons that were perfect for making poolside caftans.

Recently, they started chatting about doing a follow-up to that collection, and Rashida and Sarah wanted to participate too!

The group began by revisiting some of their favorite prints from the first collection, and then added a new version of Rashida's ladies (wearing sunglasses, of course!), along with some vividly-colored tigers from Sarah. This vibrant, summery group also features new colorways of Melody's Daydream Rayon and Sarah's Tigress rayons from 2019 and some palm trees on canvas, perfect for a beach bag or pool tote.

*the canvas is perfect for home decor!*
