

The newest installment in the Ruby Star Society Projects with Purpose is the Cut & Sew Panel!

Our designers pooled together their most iconic characters and animals from their years of designing fabric, and placed them on this panel for all your project needs! These characters make great stuffies, cat toys, applique decorations, and more!

The Cut & Sew Panel profits will go to the **Healthwell Foundation**, a non-profit whose goal is to reduce financial barriers to care for underinsured patients with chronic or life-altering diseases.

We would also love to encourage any stockists of the Cut & Sew Panel to use the panel sales as an opportunity to do their own charitable fundraising, and consider donating some of their margin to the Healthwell Foundation or a nonprofit of their choice.
