

This is the ten year anniversary of Melody's 2016 collection, Trinket. Once again, she has brought a series of trinkets and small objects to fabric, including two prints from the original collection. For Trinketry, Melody drew a series of 78 match boxes and match books (an idea she's had for years!) that reference drawings and artwork from throughout her career.

Here are a few examples:

RS5170 KIT Ruby Star Society | Trinket Quilt

58½" x 65"

This applique quilt first debuted alongside Melody Miller's collection titled Trinket in 2016. We figured, what good timing to re-release the quilt with the follow up collection! This pattern will be available as a kit and a free pattern that will be uploaded to the Moda website when the fabric ships!
