

In Linear, Rashida was inspired to create designs with lots of line work. Her goal was to create prints that were fresh, versatile and geometric, pushing her more recent warm color palette even further towards sunshine. Rashida is especially excited about the rayons - she wanted them to feel timeless with a 70s vibe. **All prints shown at 25% scale.**

## DECEMBER 2022 DELIVERY

25 premium 100% Ruby Star Cotton prints  
3 100% rayon prints
