

Sable & Swan

BY CATHE HOLDEN

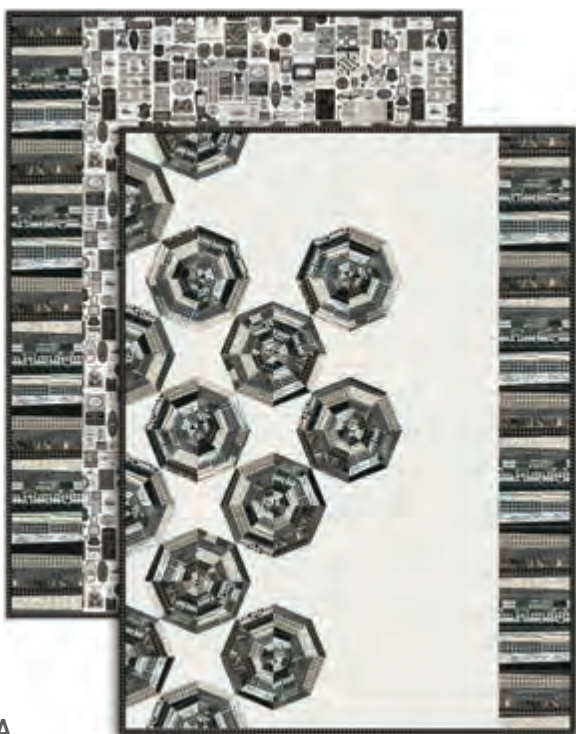

Smart and dapper, yet graceful and charming — that perfectly describes my new collection, Sable & Swan, featuring a rich combination of brown, black, porcelain, and white. The individual, contrasting designs include a full-width flat lay of antique advertising elements, a patchwork cheater print of striking graphics, a bold typographic alphabet and hand-drawn numerical structures, beautiful Spencerian cartouches, wool-textured houndstooth check, a lacy wheat repeat, black diamond glass buttons, crossword puzzle grids, double-comb marbled swirls, sheet music compositions, and a robust layered collage of all of these elements.
