

## CREATE JOY PROJECT

Step into the radiant beauty of Soulstice, a fabric collection bursting with the vibrant energy of summer's most beloved blooms. Inspired by the joy and warmth of the sunniest season, Laura Muir has captured the essence of dahlias, peonies, roses, daisies, and more in a symphony of bold, expressive watercolor florals.

Every brushstroke and hue in Soulstice is infused with the spirit of summer—bright, cheerful, and alive with movement. These fabrics celebrate the colors of long sun-drenched days, the scent of fresh flowers in the air, and the bliss of creating something beautiful with your own hands.

Whether you're sewing a quilt that radiates warmth, a garment that embodies sunshine, or home décor that brings the outdoors in, Soulstice is designed to spark joy and creativity. Let this collection be a reminder to embrace the beauty around you and find happiness in the little moments.

Soulstice—where fabric meets the golden glow of summer.
