

Windfall captures the richness of autumn in every thread—a season of gathering, gratitude, and golden light. This collection is a celebration of all that fall brings: orchard walks, falling leaves, cozying up with a good book, the comforting scent of spiced cider in mugs, and of course pumpkins fresh from the patch. Woven through the designs are cozy vignettes of the season—sunflowers stretching toward a low afternoon sun, leaves fluttering mid-fall, and vines curling along garden fences.

The palette is drawn from the landscape of the season: earthy, weathered, golden, rusty, with pops of lavender and sky.

Whether you're creating by a crackling fire or planning your next cozy project, these fabrics are perfect for seasonal quilts, home décor and more. Each print in Windfall feels like a layer of warmth, rooted in the comforts of the season.
